To
Mathopen School
c/o Linda Orrestad

I would like to thank you for the precious donation for the Rancho do Senhor Mother Care Centre, a project I am responsible for at the moment.

Thanks to the support offered by each one of you, we were able to do many actions and purchase some items that are important for the proper functioning of the programme.

A lovely Christmas celebration was also held, showing in practice the true meaning of the season.

We express our most sincere gratitude for every effort you did to help us.

Yours sincerely,
